Start a Tradition: 'Tis the season...

Come start a new tradition with your family that will bring a whole new meaning to the Christmas season.

The entire weekend is centered around recharging and preparing for the Christmas season, physically and spiritually.

Our four worship services led by Pastor Dan Bollman will focus on the themes of the four Sundays in Advent.

Take the opportunity to relax and create some of these wonderful gifts for even the hardest person on your Christmas list!

Reed Baskets

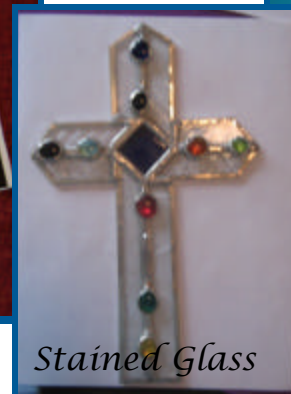

Woodcarving

Pinecone Wreaths

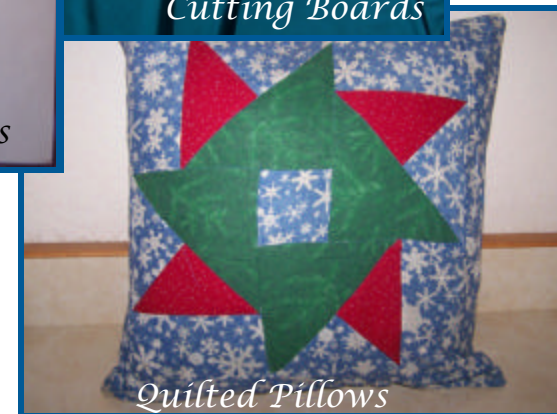

Digital Scrapbooking

Make sure to bring the whole family. Your children will love interacting with our staff at Kids Korner where they'll get to make crafts of their own, sled, and bake cookies. Making it a weekend to remember!

...to Give!
