## Trailblazers - Leading the Way

In the Old West, Trailblazers were those who went ahead of others, clearing the way for those who would follow. They had vision, and knew what they were doing was important. RTLC Trailblazers are very similar — through annual gifts, they help Rainbow Trail press forward with its significant ministry.

Trailblazers provide a consistent source of financial support throughout the year so that fees for camp can remain affordable for every child.

## Your Benefits as a Trailblazer

Rainbow Trail Trailblazers receive a number of benefits in gratitude for their partnership in ministry:

- 1) Special invitations to Trailblazer events and other Rainbow Trail celebrations and events.
- 2) Regular mailings of "Reflections" and "Sparks" newsletters which provide up to date reports of the ministry.
- 3) A special memento and certificate of membership.
- 4) Most of all, the deep satisfaction of knowing the impact of Trailblazer gifts on the children and families blessed by Rainbow Trail's ministry.

## Your Invitation

Trailblazers are the backbone of this ministry. Gifts from these supporters help us in every aspect of our ministry — from recruiting caring and compassionate college-aged staff, to providing assistance to those families who might not otherwise be able to afford a week at camp. Trailblazer gifts help us take Rainbow Trail "on the road" to congregations and communities across the region in addition to providing "on site" ministry throughout the year.

Please take a moment and consider joining me and many others be becoming a Trailblazer. When you send in the form attached you are *definitely* making a difference!
