Fall, 2026

Thank you for your interest in Rainbow Trail's Volunteer Program!

Rainbow Trail Lutheran Camp is a place full of opportunity! There are programs designed for individuals, for families, and for groups of many varied origins. There are also a variety of opportunities for service. Our High School Volunteer Program is one such opportunity. It is a week of service to the ministry at Rainbow Trail. It is a chance to meet, work with, sing with, and laugh with other Christians. It is a chance to serve the Lord in a beautiful part of His creation, and a chance to deepen your own faith. It is a week of hard work, sunny days, callused hands, quiet times, rowdy activities, and lifelong friendships.

Because so many high school students have expressed an interest in this program, we have had to resort to an application process. Attached, please find the application form, along with Rainbow Trail's Volunteer Policies. You will need to read the policies carefully, then fill out the form completely. A reference from your pastor is also required. Ask him or her to write a brief letter of recommendation for you, and have him or her send it directly to the camp.

Eight of the ten weeks of summer sessions have been selected as those weeks during which we will use volunteers. We will aim at having no more than 2-4 volunteers during each of those weeks. Your week as a volunteer cannot replace your week as a camper... in other words, if you are still in high school, you must attend a week as a camper in one of RTLC's senior high programs in order to qualify as a volunteer. This includes on-site senior high weeks or Compass Points.

Again, thank you for your interest in our Volunteer Program. If you are selected from the many who apply, you will be certain to experience a challenging and rewarding week of service to our campers and to our Lord!

In Christ,

Dave
